Please consider answering the following questions in your comments:

- ◆ How often do you use IL 83 or IL 137 in the study limits (drive, walk, ride, other) and for what purposes (ex: to get to work, school, shopping)?
- ◆ What resources in the area are important to you? (ex: natural resource, historic feature, attractions)
- ◆ Have you ever experienced any transportation-related issues on IL 83/IL 137 (ex: traffic congestion, safety issues)? If yes, please describe the situation and explain where it occurred.
- ◆ What types of transportation improvements are needed (ex: more sidewalks, better lighting, safer intersections)?

For additional comments, use the reverse side of this form or attach your own paper.

Thank you for your participation in the IL 83/IL 137 Study.
